SECRET

Deputy Director for Intelligence

- Analysts completed a fast track SNIE on the Falkland Islands which should be distributed by now.
- In response to DCI requests, analysts have begun work on a paper on strategically-situated Third World countries and completed an unclassified assessment of North Sea Gas for Under Secretary of State Buckley.
- OGI briefed Commerce Secretary Baldrige on CIA crop forecasting methods, including the use of LANDSAT imagery. (Secretary Baldrige's Cabinet Council of Commerce and Trade is now considering the future of the LANDSAT program.)

25X1

National Intelligence Council

- C/NIC attended a 5 April SIG meeting on Law of the Sea resulting in new instructions for the U.S. negotiating team.

25X1

- We have initiated a series of interagency intelligence seminars on contemporary Soviet society.

Personnel

- See tab.

General Counsel

- Direct involvement of Congressional Members is apparently necessary to overcome staff level impasses on the Identities legislation.
- The FY-83 Intelligence Authorization Bill reported out by the HPSCI does contain a provision which would adopt former spouse provisions similar to those of the Foreign Service System for all CIA officers having at least five years service overseas, whether such officers participate in CIARDS or the Civil Service System.
- On 2 April President Reagan signed Executive Order 12356 on National Security Information.
- The Attorney General has approved new Agency procedures implementing the Crimes Reporting Procedures of Executive Order 12333.

SECRET

Intelligence Community Staff Weekly Report

5 - 9 April 1982

25X1

APR 9 4 58 PM '82

Completed

- [Redacted] 25X1

- Congress - Compiled final set of SSCI questions for the record on the collection hearing and delivered them to SSCI. The HAC S&I report on foreign language programs was disseminated to the Community.
- Security - A meeting was held at the request of GSA with Pentagon procurement officials and ICS to discuss the security considerations of US Government purchase of East German typewriters. As a result of the meeting, it was decided that no further purchases of East German typewriters would be made. However, details of implementing the decision are yet to be worked out by DoD and GSA.

[Redacted] 25X1

Ongoing

- US Commercial Participation in Foreign Satellite Ventures - The ICS is preparing a response to D/NRO memo to the DCI on this question and looking into ensuring that US space policy takes this into account.
- SSC(I)/HPSC(I) Markup of FY 83 NFIP - Provided results to Program Managers. Working with Program Managers to develop reclama.
- Narcotics - Preparing talking points for DDCI regarding collection efforts against international narcotics trafficking for his use in testimony before House Foreign Affairs Committee on 22 April.
- International Terrorism - Drafting of CIPC study proceeding.
